Shaarik,

Great to hear back. I am free 9 - 11, as well as anytime after 2 Guatemala time tomorrow. On Wednesday, I can do 9-11 and 1:30 - 3. I apologize I usually have more openings. If those don't work propose something and I can try and move things around.

Shaarik,

Great to be connected. Coincidentally, USAID is in the process of designing a remittances project and this might be a great place for us to collaborate.
