Hi Catherine,

The 15th works best for us, the timing (ending at 11:30) works as well.

Thanks,

Sabeen

At this point, we'd ideally have you arrive in the morning with your visit concluding at about 11:30am. Once we nail down a date, we'll align internally to work out logistics, meetings, and send you a final agenda. Also copying Aline, who is leading the organization of your visit. Thanks!
